NEXT LEVEL Seat Riser Kit Polaris

Instructions for NL SEAT POL (Revised 8/29/16)
NEXT LEVEL Seat Riser Kit Polaris

Give all Velcro time to sit and adhere to the sled.

At this point you are ready to put on your seat! You will have to take a few minutes to adjust and make sure it is centered. Also check to see if you need to trim Velcro, do this after you are sure that it is fitting well.

When installed correctly it should look like this.
